

Betts Metal Sales have an *extensive* stock range of hallmarked wedding ring blanks.

We stock various profiles, in a wide range of alloys and weights.

This brochure details our core stock range only, if you can't find what you are looking for and need an unhallmarked ring or a different size, colour, carat or width, contact us and we will do our best to get it especially manufactured for you.

Can't find it? Betts will

We aim to be completely flexible in meeting your needs, meaning that we can almost produce anything you want!

All UK manufactured, the metal used in our rings is of the highest technical quality, assuring the manufacturing jeweller of a consistent integrity of grain size, malleability and colour.

If you would like your ring finished, we offer a range of polishing and finishing services.

Contact us for our full range of sheet, wire, findings, loose chain, tools and finished jewellery.
