

Betts Metal Sales have an *extensive* range in jeweller's of jewellers tools and this range is growing all the time.

This brochure only details *some* of our core range of tools and sundries. If you can't find what you are looking for, contact us and we will check our huge range for you and if we haven't got an item in stock, we will do our best to source it for you. We are constantly sourcing new and competitively priced tools to add to our core range.

Can't find it? Betts will

We aim to be completely flexible in meeting your needs, meaning we will do the leg work for you. 250 years in business means we are excellent at adapting to meet our customers demands.

Betts Metals also stock wedding rings, a full range of sheet & wire, findings, pre-set diamond mounts, loose chain and finished jewellery.

We also offer a number of additional services to supplement our vast stock range such as:

Scrap service, hand wash tanks, polishing and finishing services, assay, bangle make ups, stampings etc.

See our website www.bettsmetalsales.com for our full range of tools together with wedding rings, sheet, wire, findings, loose chain and finished jewellery.
